For best results make bubble solution and keep overnight before using it.

bubble solution #1:

8 cups warm water / 1 cup sugar / 1 cup blue Dawn Ultra dish soap
put sugar in warm water, stir until sugar dissolved
stir in soap slowly so not to make foam or bubbles

bubble solution #2:

6 cups water / 1 cup blue Dawn Ultra dish soap / 1 tablespoon glycerin
stir water and soap together slowly so not to make foam or bubbles
stir in glycerin until mixed

Crisscross and tie string across a wand to make different shape bubbles.
Connect parallel straws with string to make extra large bubbles.
